implement your intervention
program with our ready-to-teach
Standards Plus Common Core
Intervention Materials.*

LANGUAGE ARTS GRADE 2

Diagnostic Pre-Assessment

Administering the Diagnostic Pre-Assessment:

- Determine if all or a subgroup of your students will be assessed.
- Print the appropriate number of student assessments.
- Distribute the assessments and review the directions with the students.
- Have students complete the assessment independently.
- Collect and score the assessments.
- Students who perform at 75% or lower will benefit from intervention instruction for the topic.

.....

See the next page for the Diagnostic Pre-Assessment procedure and answer key.

Procedure and Answer Key

Standards Plus® – Common Core Intervention Language Arts – Grade 2

Procedure: Each intervention assessment is designed to be completed independently by the students. Read the directions aloud, and ensure that students understand how to mark their answer choices. Collect the assessments and use the answer key to correct.

Strand: Reading Informational Text

Focus: Understanding Text

Pre-Assessment: #B1

Review: Review the correct answers with students as soon as they are finished.

Answers:

Answers may vary; possible answers:

1. The main topic is having the job of a clown.
2. The focus of the first paragraph is what clowns do.
3. The focus of the second paragraph is how to become a clown.
4. The words tell what a clown does and where he or she does it.
5. You can go to a college to learn how to be a clown.

.....
See the next page for the Diagnostic Pre-Assessment.

Name: _____

Pre-Assessment B1

Directions: Read the story below. Answer each question in a complete sentence.

¹Being a clown is just one of the careers people can choose. Clowns make people laugh. Clowns usually work in the circus. Some clowns entertain at children's birthday parties. Others visit sick children at the hospital.

²There are colleges that people can attend to learn how to be clowns. They learn how to dress, how to put on make-up, and how to juggle, ride funny bikes, and move around in funny ways. Clowns have to learn how to make people laugh. Being a clown can be a great deal of fun, but it also takes a lot of practice and hard work.

1. What is the main topic of this passage?

2. What is the focus of the first paragraph?

3. What is the focus of the second paragraph?

4. How do the underlined words help you understand clowns?

5. Where can you go to learn to be a clown?

More About Standards Plus Common Core Intervention

What is Standards Plus CC Intervention?

Standards Plus CC Intervention is a set of research-based, scaffolded 1-8 language arts and math lessons written to the Common Core Standards. These explicit, direct instruction lessons were designed to build the essential prerequisite elements of the grade level standards.

Benefits:

- Ready-to-teach lessons and performance tasks with very little teacher preparation.
- Instruction is scaffolded and provides exposure to the standards at DOK levels 1-3.
- Grade level content vocabulary is taught within the context of the lessons.
- Prepares students for grade level success.
- Ideal for:
 - Small group instruction
 - After school programs
 - Special Ed. settings to meet IEP goals
 - Summer school programs

Standards Plus Common Core Intervention Instructional Components

Step-by-Step

Direct Instruction Lessons:

These ready-to-teach lessons are organized by topic to develop prerequisite skills and concepts while scaffolding to grade-level appropriate activities. These lessons are written to DOK levels 1 and 2.

Step-by-Step Lessons

Performance Tasks:

Within each topic, students have the opportunity to participate in a Performance Task to apply what they have learned in a unique setting and cement their learning. These lessons are written to DOK levels 1 and 2.

Performance Tasks

Post-Assessments:

Parallel to the Diagnostic Pre-Assessments, these assessments provide data directly related to the instruction provided.

**Post-Assessments
(Parallel to Diagnostic)**
