LOST LEARNING RECOVERY / INTERVENTION PACING GUIDE

This Pacing Guide shows the direct alignment between *Standards Plus lessons* and *Standards Plus Intervention lessons*.

Combine your *Standards Plus lessons* and your *Standards Plus Intervention lessons* to recover lost learning or provide intervention.

POSSIBLE IMPLEMENTATION OPTIONS

Teach Intervention lessons:

OPTION 1: Prior to teaching grade level lessons, to prepare students for grade level content.

OPTION 2: After teaching grade level content to fill in the gaps for students who need additional instruction to master the standard.

The Intervention lessons are in your digital platform and are projectable or printable.

OR

Printed Intervention Teacher and Student Editions are also available for purchase. Contact us at 1-877-505-9152 or office@standardsplus.org for more information.
